COURSE OVERVIEW
During these unprecedented times of the COVID-19 crisis healthcare leaders are challenged with providing additional resources to front-line managers on clinical educational topics to enhance their staff’s competency and resilience. Health care managers are leading in a time of transformation and transition and this education is designed to provide ideas and best practices around leading yourself and your team during adversity with the COVID-19 crisis and beyond.

TARGET AUDIENCE
This activity is intended for physicians, nurses, physician assistants, nurse practitioners and healthcare administration staff and leaders in the Health System.

EDUCATIONAL OBJECTIVES
Upon completion of this activity, learners should be able to:

- Demonstrate understanding of Action for Cultural Transformation (ACT) Roadmap and be able to take more proactive actions that align with organizational goals
- Identify and address vaccine hesitancy and support broader implementation of Penn Medicine COVID-19 vaccine
- Connect with others and formulate ideas on how we can eliminate racism, mitigate bias and build equity at Penn Medicine and in our community.
