COURSE OVERVIEW
During these unprecedented times of the COVID-19 crisis healthcare leaders are challenged with providing additional resources to front-line managers on clinical educational topics to enhance their staff's competency and resilience. Health care managers are leading in a time of transformation and transition and this education is designed to provide ideas and best practices around leading yourself and your team during adversity with the COVID-19 crisis and beyond.

How will COVID 19 ultimately transform the future of healthcare and what are the implications to Penn Medicine? Start 2022 strong with the Lunch with Leaders community. Join Cindy Morgan, VP, Organization Development & Learning; Lori Gustave, MBA, MHA, SVP, Business Development; and Lisa Bielamowicz, MD, CEO, GIST Healthcare to hear about the national healthcare landscape and its impact on Penn Medicine. Explore where we anticipate the fastest growth, Penn Medicine’s positioning in the market and how we differentiate ourselves to outpace our competitors.

TARGET AUDIENCE
This activity is intended for physicians, nurses, physician assistants, nurse practitioners and healthcare administration staff and leaders in the Health System.

EDUCATIONAL OBJECTIVES
Upon completion of this activity, learners should be able to:
• Conduct a retrospective look back on Lunch with Leaders and assess how well you have implemented what you have learned
• Determine your approach to thriving professionally in 2022
• Share your experiences and identify opportunities to enhance your development in presentation and delivery skills
