COURSE OVERVIEW
During these unprecedented times of the COVID-19 crisis healthcare leaders are challenged with providing additional resources to front-line managers on clinical educational topics to enhance their staff's competency and resilience. Health care managers are leading in a time of transformation and transition and this education is designed to provide ideas and best practices around leading yourself and your team during adversity with the COVID-19 crisis and beyond.

Want tips for manifesting your dream career as well as those you lead at Penn Medicine? Join Cindy Morgan, VP, Organization Development & Learning; Regina Cunningham, PhD, RN, CEO, HUP; Greta Gilbode, Associate Executive Director, Service Line Operations, PPMC; and Sharon Hull, MD, Professional Certified Coach, President and Chief Coaching Officer, Metta Solutions, to explore how to navigate careers at Penn Medicine. Hear inspiring career stories from our panelists and learn how to be intentional, plan proactively and evaluate your career options and help others reach their career potential.

TARGET AUDIENCE
This activity is intended for physicians, nurses, physician assistants, nurse practitioners and healthcare administration staff and leaders in the Health System.

EDUCATIONAL OBJECTIVES
Upon completion of this activity, learners should be able to:
• Explore key questions when thinking about your career
• Determine key steps in proactive, purposeful and flexible career planning that aligns with what matters the most to you
• Discuss how to build a culture of having career conversations with those you lead
• Connect with others and share leadership tips with each other
