COURSE OVERVIEW
During these unprecedented times of the COVID-19 crisis healthcare leaders are challenged with providing additional resources to front-line managers on clinical educational topics to enhance their staff's competency and resilience. Health care managers are leading in a time of transformation and transition and this education is designed to provide ideas and best practices around leading yourself and your team during adversity with the COVID-19 crisis and beyond.

Promote your powers of persuasion by using data to tell your story!
Join Cindy Morgan, VP, Organization Development & Learning, Patty Inacker, Behavioral Health Service Line Administrator, PAH, Lee Leibowitz, Chief Administrative Officer, Neuroscience Service Line, George Iyoob, Clinical Director, Nursing Admin, PPMC; and a secret guest to reflect on our learning from the year and BRAINSTORM ideas for a “fresh start” in 2022. Share your biggest lessons, relive your favorite show moments and recharge!

TARGET AUDIENCE
This activity is intended for physicians, nurses, physician assistants, nurse practitioners and healthcare administration staff and leaders in the Health System.

EDUCATIONAL OBJECTIVES
Upon completion of this activity, learners should be able to:
• Conduct a retrospective look back on Lunch with Leaders and assess how well you have implemented what you have learned
• Determine your approach to thriving professionally in 2022
• Share your experiences and identify opportunities to enhance your development in presentation and delivery skills
