Welcome to Lunch with Leaders

- Welcome
- What is *Lunch with Leaders*?

The screenshot shows the Penn Medicine UPHS COVID-19 Learning website. The header includes the Penn Medicine logo and a search bar. The main navigation menu on the left lists various resources: Curricula for Clinicians, Treatment and Testing Guidelines, Infection Control and PPE, Quick References, Telemedicine, Switchboard (PennKey protected), Pennchart Education, and Patient and Family Communication. The 'Lead Strong' page is highlighted, featuring the 'Lead Strong' logo and a welcome message for Penn Medicine leaders. The message states: 'As a Penn Medicine leader, we truly appreciate all you are doing to navigate these unprecedented times. Whether leading teams on the front lines or adapting to the new virtual environment, each and every one of you have stepped up like never before. This site is designed to provide ideas and best practices around leading yourself and your team during adversity. Remember that there is a potential for leadership at all levels. Now is the time to take action and make a difference. Use these resources plus your own creativity to design new ways to lead in tough times, great times and everything in between.' Below this, there is a section for 'Lunch with Leaders' with the 'Lead Strong' logo and a call to action: 'We are leading in a time of transformation. "Lunch with Leaders" is a one-hour, virtual leadership development series which Penn Medicine leaders can connect and share practical tips for leading effectively. Please join us live, Thursdays at noon! BYOL - bring your own lunch!'.

The Lunch with Leaders series has been **awesome!** You have brought such **great energy and realism** to the year with your sense of humor, while covering great topics but having it be approachable. The content and panelists have been **fantastic and engaging**.

Felt more like a **celebration** than an information-sharing, learning opportunity which was a **very uplifting way to end the year!**
