What did you enjoy about the last session?

I attended my first event, of course, I am now hooked and can’t wait for the next one.

Thank you, I am totally invigorated from the lunch with leaders, can’t wait to go through the rest of the series. Thank you for putting such a lively and informative session and series together.

Michael Feldman, MD, PhD
Vice Chairman of Pathology, Clinical Service

The Lunch with Leaders series has been awesome! You have brought such great energy and realism to the year with your sense of humor, while covering great topics but having it be approachable. The content and panelists have been fantastic and engaging.

Eleanor Miller, MSN RN
OCN Manager, Oncology Nurse Navigation

Felt more like a celebration than an information-sharing, learning opportunity which was a very uplifting way to end the year! Warm and positive!
