Storyboard COVID-19 Vaccine Icon

Impacted User: All Storyboards

This tip sheet will review the new Storyboard icon that will indicate COVID-19 vaccine status.

Storyboard COVID-19 Vaccine Icon

The new COVID-19 Vaccine icon will now appear in all Storyboards.

- **Fully Vaccinated**
  - This icon will show after a patient is considered fully vaccinated (14 days after 2nd dose Pfizer/Moderna or single dose of J&J).
  - Click on the icon to jump to the Immunization activity.
  - Hover over the icon to see more information.
  - If a COVID-19 vaccine card has been scanned in with the document type of Covid-19 Vaccination Record, a hyperlink will be available to visualize the card.
- **Partially or Not Vaccinated**
  - This icon will show for all patients that are either partially vaccinated or not vaccinated.
  - *Click* on the icon to jump to the **Immunization** activity.
  - *Hover* over the icon to see more information.
  - **Partially Vaccinated:**
