

# Beam of Life Campaign

*"The Beam of Life Campaign is an opportunity to join our active and dedicated fellowship of patients, family, and supporters, whose support of the Radiation Oncology Department is, as a group, changing the landscape of cancer care. Our philanthropic community supports our mission of patient-focused care rooted in our philosophy of delivering the most advanced care with a universal standard of excellence."*

*- James M. Metz, MD  
Henry K. Pancoast Professor and Chair  
Department of Radiation Oncology*

## BECOME A BEAM OF LIFE DONOR BY SUPPORTING ANY OF THESE IMPORTANT INITIATIVES. EVERY GIFT COUNTS, AND BEAMS WITH HOPE:

### Research and Education:

- Continuing Education Fund for Proton Therapy, Nursing, and Social Work
- Radiation Oncology Residency, Fellowship, and Summer Internship Programs
- Pilot grant funding

### Revolutionary Treatments:

- Clinical Trial Development and Recruitment Fund

### Patient Care:

- Integrative Medicine Program: Yoga, Acupuncture, Reiki, Mindfulness, and Pet Therapy
- Waiting and Treatment Room Enhancements
